IN THE MATTER

OF

HARDIK SONI, M.D.

STATEMENT  
OF  
CHARGES

HARDIK SONI, M.D., the Respondent, was authorized to practice medicine in New York State on or about July 27, 2005, by the issuance of license number 237131 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about June 5, 2017, Respondent and the New Jersey Board of Medical Examiners (hereinafter, "New Jersey Board") entered into a Consent Order of Indefinite Suspension which indefinitely suspended Respondent's license to practice medicine pending a demonstration of fitness and until further Order of the New Jersey Board. During the period of suspension, Respondent must cease and desist of all patient contact and not enter the premises of his medical practice during patient hours. Prior to any restoration of Respondent's license, Respondent shall participate in the Professional Assistance Program and comply with a substance abuse treatment program, comply with random drug screens, and abstain from the use of all psychoactive substances, unless prescribed by a treating physician for a documented medical condition. This Consent Order of Indefinite Suspension was issued after the claimant, who had previously met with New Jersey's Professional Assistance Program in 2008 and was enrolled in the Alternative Resolution Program, advised the Professional Assistance Program that he relapsed in the use of alcohol and admitted he drank alcohol during at least a six-month period leading up to April 19, 2017.

B. The Conduct resulting in the New Jersey Board's disciplinary action against Respondent would constitute misconduct under the laws of New York State pursuant to the following Section of New York State Law:

1. New York Education Law § 6530(8) (Being a habitual abuser of alcohol, or being dependent on or a habitual user of narcotics, barbiturates, amphetamines, hallucinogens, or other drugs having similar effects)

**SPECIFICATION OF CHARGES**  
**HAVING HAD DISCIPLINARY ACTION TAKEN**

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his or her license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law § 6530(8)) as alleged in the facts of the following:

1. The facts in Paragraphs A and B and B.1.
